

*Together We Achieve The Extraordinary*

Our Naming & Legacy Campaign offers community members, local businesses, & alumni the opportunity to be recognized for their generosity within the new Morrin School building.

**NAMING RIGHTS\***: Businesses, families, & individuals are invited to purchase the naming rights to a specific space in the school. We will assist your company, corporation, or family with the purchase of the signage of each named space.

**LEGACY BUILDERS**: Celebrate your time here at Morrin School, your family's legacy in the area, or make a special donation "In Memory Of" a loved one. The acknowledgement of these contributions will be displayed permanently in the new school.

*Please note that donations of \$1 - \$499 will receive an official 'FMSC Certificate' in recognition of your support.*

*\*Naming Rights: Available spaces to purchase are subject to change, based on availability & final design. Sold on a first come, first served basis.*

## Building Four Walls With Tomorrow Inside

### OUR ENHANCEMENT PRIORITIES

Our Enhancement Priorities were determined by our membership through a series of surveys, with the needs of our students, families, school staff, and communities in mind.

1

#### ENGAGE THE COMMUNITY

Increasing the space for seating for sporting events, arts & cultural activities, and more. As an added bonus, when the bleachers are folded aside, the additional floor space can be used for a variety of school and community events or activities.

Includes the addition of 100 m<sup>2</sup> of 'Gym Floor' to accommodate bleachers with a 150 seat capacity.

2

#### INSPIRE LEARNING AND LITERACY

Enriching the learning of scholars of all ages, while extending literary services to the community.

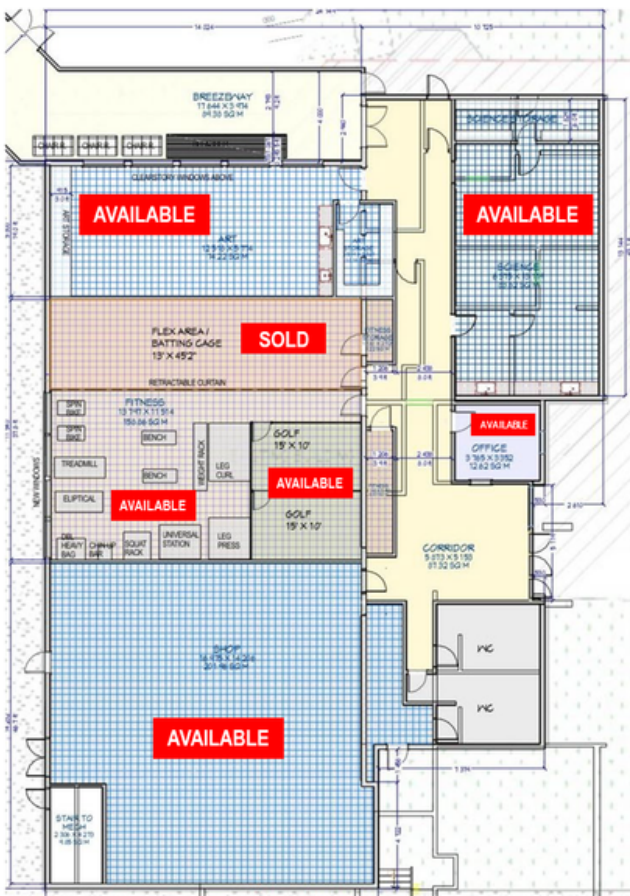

Includes an increase in the library's footprint from 80 m<sup>2</sup> to 120 m<sup>2</sup>, with the hope that the school will be able to extend and offer all of the communities a beautiful library.

3

#### PROMOTE INCLUSIVITY

Increasing the educational space within the school will allow us to enhance learning opportunities for students, enhance programs and facilities needed for those with complex needs, and make all space available to community members, local businesses, and more.

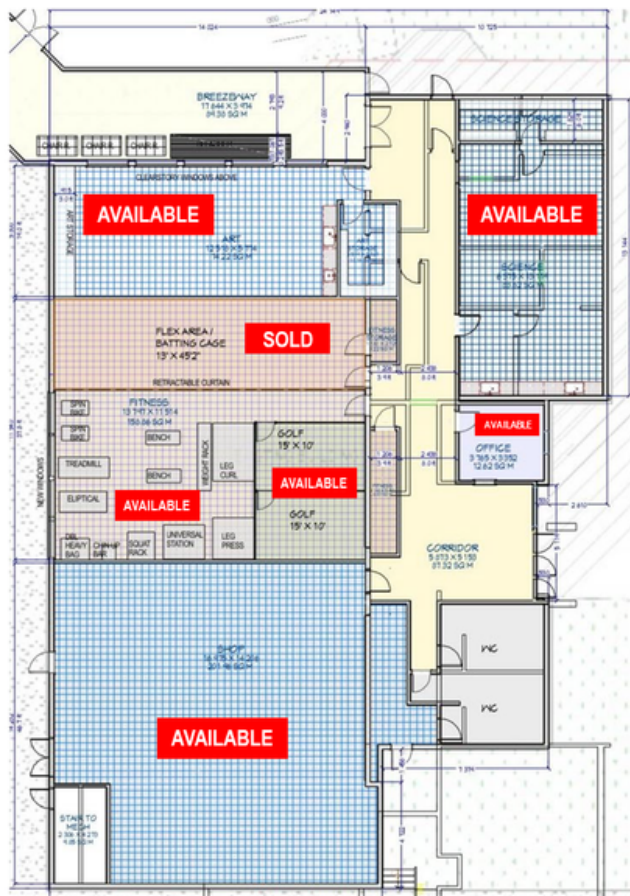

Includes an increase of 65 m<sup>2</sup> to augment classroom, educational, or storage space.

# HAVE YOU HEARD OF 'THE HUB'?

Prairie Land Public School Division has obtained approval from the provincial government to leave our existing gymnasium out of the demolition of our old school. Once our new school is complete, Prairie Land will transfer ownership of the gymnasium and property to Friends of Morrin School Council. In addition, after the ownership transfer is complete, Prairie Land Public School Division has committed to lease and operate the building, and to contribute significant funds & in-kind labour to assist with the re-purposing of the building into a hub for health & wellness and trades education for the entire community.

**OUR GOAL NOW IS TO RAISE AS MUCH MONEY AS WE CAN TO ENHANCE & OPTIMIZE 'THE HUB' TO BUILD IT BETTER — TOGETHER, ONCE AGAIN, JUST AS WE DID WITH OUR NEW SCHOOL.**

'The Hub' will provide an amazing space for our students & residents to connect with one another. The space will promote an active lifestyle for people of all ages, right here in our community. We have many local artists, farmers, tradespeople, etc. in our rural community who have already volunteered to run school & community programs in every area of 'The Hub'.

**INTERESTED IN SUPPORTING 'THE HUB'? OUR NAMING & LEGACY CAMPAIGN HAS BEEN EXPANDED TO INCLUDE THE SPACES NOW AVAILABLE FOR PURCHASE IN 'THE HUB'. PLEASE CHECK OUT THE REVERSE SIDE OF THIS INSERT FOR MORE INFORMATION.**
