## **“Building It Better – Together” Fundraising Campaign Update**

Despite a global pandemic and very challenging economic times, municipalities, community members, families, community organizations, businesses and alumni have come together and shown enormous generosity and vision for the future of Morrin School, and we are so very thankful for their support!

***Together, we have raised \$599,651.28!***

**Because of these generous donations, Morrin School  
will be enhanced in the following ways:**

**1076 Square Feet will be added to the Gymnasium to accommodate seating and viewing for Sports, Concerts, and Other School & Community Events**

**430 Square Feet will be added to the Library to better meet the needs of our students and our community.**

**Plans are underway to welcome the Morrin Community Library into the new school library.**

**100 Square Feet will be added to other Educational Spaces**

Design planning is well underway now, and our ‘Bricks & Mortar’ Deadline has passed. Our fundraising campaign will continue with a focus to enhance the inside of the school and our new CTS Shop & Arts Facility.

***IT’S NOT TOO LATE!***

***There is still time for you and/or your business to support this campaign and be recognized via Naming Rights or in our Legacy Display in the new school!***

Over.....>>>>

***Together We Achieve The Extraordinary***

***With this letter, our Committee is reaching out to you to provide an update and remind you of our fundraising campaign, and ask you to please consider a donation. We know it's a big "ask" in these times, but we hope you can find a way to support our campaign.***

***An investment in the new Morrin School is an investment in the future and sustainability of our rural communities. For alumni and community members, it is celebrating our roots, giving back to where our stories began, and leaving a legacy for generations to come.***

***"A society grows great when people plant trees in whose shade they know they shall never sit."  
– Greek Proverb***

**Please find enclosed an updated brochure outlining the many ways that you can choose to contribute to our campaign, as well as additional details pertaining to our enhancement priorities.**

***We will gratefully accept donations of any amount.***
